BOOK SYNOPSIS

Republican vs. Democrat The Haves vs. the Have Nots Left vs. Right Us vs. Them We believe these are the divisions that are threatening to tear America apart. But what if the culprit isn't a political ideology or a class of people but a puppet master? He's been manipulating us for centuries—and now he's brought us to the brink of implosion. It would take a special kind of sinister to hatch such a nefarious plot against our civilization. Who, or what, would be capable of such a conspiracy? All there is to go on is the cryptic message: You'll never guess my name.
