BOOK SYNOPSIS

Let America's premier college consultants take the mystery out of admissions. As seen on PBS, this proven, ten-step program offers a comprehensive inside view of the state of college admissions today. Educational consultants Howard and Matthew Greene have mastered the science and art of college admissions, helping tens of thousands of students get into their schools of choice. This highly effective program is now available to all students who want to attend an outstanding college or university. The Greenes' cutting-edge approach will teach you to: Think like an admissions officer Plan a comprehensive admissions campaign Understand and take advantage of current trends Implement the best strategies for standing out Whether it's choosing the best college for you, writing a winning personal statement, or planning your college financing, this fully updated new edition gives you the latest in admissions secrets, statistics, tactics, and facts.
